In order that we may benefit from the tax system for charities you must pay an amount of Income Tax and/or Capital Gains Tax at least equal to the tax that the charity reclaims on your donations in the appropriate tax year (currently 25p for each £1 you give, plus another 3p transitional relief).

I wish Camp Simcha to treat this donation and all donations I have made this tax year and the six years prior to this year (but not earlier than April 2004) and all donations I make from the date of this declaration until I notify you otherwise in writing as Gift Aid donations. I confirm that I am a UK tax payer.

## CAMP SIMCHA

Founded in 1995 Camp Simcha exists to improve the quality of life for Jewish children in the UK with life threatening illnesses. In addition to cancer, we help children with any form of life threatening illnesses such as muscular dystrophy, genetic diseases, and serious heart conditions for example.

Today the charity reaches over 350 people from around 112 families and over 1,000 children of all religions in hospitals, hospices and through community nursing teams.

All our services are provided free of charge to families from across the spectrum of Jewish observance and affiliation.

## HOW WE HELP

**Practical and emotional support** – Our family liaison officers are there to support parents 24/7, throughout the year. They provide a shoulder and a listening ear. They can also offer practical help such as hospital transport, sibling support or head coverings when they are needed for example.

**Powerful positive experiences for the children** – Our wonderful young volunteers visit the children regularly at home or in hospital. They take the children on Camp Simcha parties and outings, special treats, family retreats, and holiday schemes. These experiences are designed to lift spirits and bring energy and hope when it is most needed.

Our services are also provided to siblings, often the forgotten sufferers.

Wishing you a very  
**Healthy & Happy**

## With your help we can.....

make sure that his Big Sister volunteer gives Jamie lots of exciting treats to look forward to. She will be with him in hospital when it hurts, cheering him up. Our clowns will make him smile and our amazing outings will help him forget the pain.

## With your help we can.....

make sure that Jamie is able to come on every Camp Simcha event no matter what his disability. He can go to camp in America for two weeks in the summer with full medical support. There he will get to feel like a regular child again, able to do all the things he wants to.

## With your help we can.....

be there for Jamie's Mum and Dad when ever they need us. Natalie, their family liaison officer will be at their side for as long as they need her, when ever they need her. Our whole team will continue to support Jamie, making him feel special for as long as it takes.

**With your help we can restore the light of childhood to children like Jamie throughout the UK who need us this year.**

# ....it can't always be healthy

## ...Jamie has cancer

# Together we can make a real difference to his quality of life this year

At this time of year we all pray for a Healthy and Happy New Year. For children with cancer and other life threatening illnesses, good health is a distant dream.

The pain and distress for parents of these children is unimaginable. The founders of Camp Simcha recognised this in the early 1990s, and today we are making a real difference to over 100 families throughout the UK.

Without any form of government support, we rely entirely on the kind generosity of the Jewish Community to make our work possible.

Throughout the recession, Camp Simcha has coped with a constantly increasing need for our services. We have managed this by tight financial controls, efficiency savings and by cutting costs where ever possible.

If we are to continue to be there for another year to help these children and their families, your help is vital.

This Rosh Hashana please join us in doing all that we can for these children and their families. Together we can ensure that they too can experience a Sweet New Year.

Yours sincerely
